**OPENING OF NEW DENTAL CLINIC  
AND PERFORMANCE UPDATE ON NEW DENTAL OUTLETS**

---

The Board of Directors of Q & M Dental Group (Singapore) Limited (the “Company” and together with its subsidiaries, the “Group”) is pleased to announce the opening of a new clinic in Serangoon. The Group also wishes to provide an update on the performance of the Q & M Dental Centre and new clinics that commenced operations in the second half of 2009.

**OPENING OF NEW DENTAL CLINIC AT SERANGOON GARDEN**

On 10 May 2010, the Group opened a new dental clinic in Serangoon Garden to cater to growing demand for quality dental healthcare services in the vicinity. Located at 79 Serangoon Garden Way, this new clinic is Q & M Dental Group’s fourth outlet in the Serangoon area, and widens the Group’s network in Singapore to 38 clinics, one Dental Centre and one mobile clinic.

**PERFORMANCE OF Q & M DENTAL CENTRE AND NEW CLINICS**

During the second half of 2009, the Group opened two new dental clinics at Century Square in Tampines, and Sun Plaza in Sembawang, as well as launched the Q & M Dental Centre at City Square Mall.

The Q & M Dental Centre has witnessed a steady improvement in patient visits since commencing operations in December 2009. Equipped with the latest dental technology, the Dental Centre offers primary dental healthcare and specialist services in one location. The convenience, larger capacity, and more advanced treatments at Q & M Dental Centre enhance the Group’s service value to patients. During this period, the Group continued with its marketing and promotional programs to raise the profile of the Dental Centre in Singapore.

The new clinics at Century Square and Sun Plaza have also drawn in new patients since their openings in August and December 2009 respectively. Based on unaudited figures, these two clinics and the Dental Centre have delivered profitable, albeit modest, financial performances at the respective subsidiary level for the first three months of 2010.

Accordingly and barring any unforeseen circumstances, the Dental Centre and aforesaid clinics at Century Square and Sun Plaza are expected to contribute positively to the Group’s earnings for the current financial year ending 31 December 2010.
