
**DR NG CHIN SIAU RECEIVES ERNST & YOUNG
ENTREPRENEUR OF THE YEAR AWARD (HEALTHCARE SERVICES)**

Singapore, 3 December 2010 – Q & M Dental Group (Singapore) Limited (“Q & M Dental Group” or the “Group”), the largest provider of private dental healthcare services in Singapore, is pleased to announce that its Founder and CEO, Dr Ng Chin Siau, was presented with the “*Ernst & Young Entrepreneur Of The Year 2010 Award (Healthcare Services)*” at the Ernst & Young EOY Awards Gala yesterday evening.

Said Dr Ng, “I am truly honoured to receive this prestigious award. While this is a personal award, it belongs as much to me as it does to the 18 principal shareholders of Q & M Dental Group for the important role they have played in this exciting entrepreneurial journey.

I would also like to share this award with our board of directors and management team, as well as all our dentists and staff. This recognition would not have been possible without their hard work, commitment and valuable contributions. I also wish to give special thanks to our patients for their support over the years.

Q & M Dental Group has come a long way since I opened my first clinic in 1996. We now have the largest network of dental clinics across Singapore and are making headway in expanding our dental business into the overseas markets to realize our ambition of becoming a regional dental healthcare group.”

The Ernst & Young EOY awards program was launched in Singapore in 2002 to honour entrepreneurs who have created and sustained successful business ventures, as well as to coincide with the Singapore government’s focus on fostering entrepreneurship and grooming local entrepreneurs. Now in its ninth year, the Ernst & Young EOY award has evolved into a leading business award in Singapore with an international presence and footprint.
