

**Q & M DENTAL GROUP ANNOUNCES ROBUST
REVENUE GROWTH FOR 1Q2013**

- Dental Clinic revenue up by 20% year-on-year to \$14.9 million
- Group net profit grows by 4% year-on-year to \$1.12 million

Singapore, 9 May 2013 – Mainboard-listed **Q & M Dental Group (Singapore) Limited** (“Q & M” or the “Group”), a leading private dental healthcare group in Asia, has reported a robust 20% year-on-year growth in clinic revenue to \$14.9 million for the first 3 months ended 31 March 2013 (“1Q2013”).

The stronger performance in Group revenue was fuelled by growth in revenue at Q & M’s existing dental clinics and contributions from new dental outlets in Singapore, Malaysia and the People’s Republic of China (“PRC”). Q & M currently operates 55 dental clinics and 1 mobile dental clinic in Singapore, 6 dental clinics in Malaysia and 10 dental clinics in PRC.

The Group was affected by the increase in rentals, wages, costs of setting up new dental and medical clinics, purchasing of equipment and a sharp increase in depreciation. This affected the growth in profit which grew by 4% year-on-year amounting to \$1.12 million. The Group continues to maintain a strong cash position of \$29.8 million.

The Group has diversified into the Singapore medical market by acquiring a medical clinic and is in the process of opening another 3 medical clinics and 1 aesthetic centre. This expansion will enable the Group to offer a comprehensive and holistic medical care in line with the trend of increasing consumer expenditure on healthcare services, longer life expectancy and stronger purchasing power in Asia.

This news release is to be read in conjunction with the Group’s announcement posted on the SGX website on 9 May 2013.
