To: The Shareholders of Q & M Dental Group (Singapore) Limited

Dear Sir/Madam,

#### 1. INTRODUCTION

##### 1.1 2015 AGM

The Directors wish to refer to (i) the Notice of AGM dated 10 April 2015, accompanying the Company's Annual Report to convene the 2015 AGM; and (ii) Resolution 8 being the ordinary resolution for the proposed renewal of the Share Buy-Back Mandate to allow the Company to purchase or otherwise acquire shares in the capital of the Company.

##### 1.2 Circular

The purpose of this Circular is to provide Shareholders with the relevant information in relation to the above, and to seek the approval of Shareholders at the 2015 AGM for the matters set out in this Circular. The SGX-ST assumes no responsibility for the accuracy of any statements made or opinions expressed or reports contained in this Circular.

#### 2. THE PROPOSED RENEWAL OF THE SHARE BUY-BACK MANDATE

##### 2.1 Background

At the 2014 AGM, Shareholders had approved the adoption of the Share Buy-Back Mandate to enable the Company to purchase or otherwise acquire shares in the capital of the Company. The rationale for, the authority and limitations on, and the financial effects of, the Share Buy-Back Mandate were set out in the Company's circular to Shareholders dated 11 April 2014.

The Share Buy-Back Mandate was expressed to take effect on the date of the passing of the ordinary resolution approving the proposed Share Buy-Back Mandate at the 2014 AGM and will expire on the date of the 2015 AGM or until it is varied or revoked by an ordinary resolution of the Shareholders in general meeting (if so varied or revoked prior to the 2015 AGM). Accordingly, the Directors propose that the Share Buy-Back Mandate be renewed at the 2015 AGM.

##### 2.2 Introduction

Any purchase or acquisition of Shares by the Company would have to be made in accordance with, and in the manner prescribed by, the Act, the Listing Manual and such other laws and regulations as may, for the time being, be applicable.

Under Rule 881 of the Listing Manual, a company which wishes to purchase or acquire its own shares should obtain approval of its shareholders to do so at a general meeting. Accordingly, approval is being sought from Shareholders at the 2015 AGM to renew the Share Buy-Back Mandate to enable the Company to purchase or acquire its issued Shares.

---

## LETTER TO SHAREHOLDERS

---

If approved by Shareholders at the 2015 AGM, the authority conferred by the Share Buy-Back Mandate will continue to be in force until the next AGM (whereupon it will lapse, unless renewed at such meeting) or until it is varied or revoked by the Company in general meeting (if so varied or revoked prior to the next AGM).

### 2.3 Rationale for the Share Buy-Back Mandate

The proposed renewal of the Share Buy-Back Mandate will give the Directors the flexibility to purchase or acquire the Shares of the Company if and when circumstances permit. The Directors believe that the Share Buy-Back Mandate provides the Company and its Directors with a mechanism to facilitate the return of any surplus cash over and above its ordinary capital requirements, in an expedient and cost-efficient manner. It also allows the Directors to exercise greater control over the Company's share capital structure, dividend payout and cash reserves.

Share Purchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the EPS and/or NTA per Share of the Company and the Group, and will only be made when the Directors believe that such Share Purchases would benefit the Company and its Shareholders.

Shareholders should note that Share Purchases will only be made when the Directors believe that such Share Purchases would not result in a material adverse effect on the financial position or listing status of the Company.

### 2.4 Authority and Limits on the Share Buy-Back Mandate

The authority and limitations placed on purchases or acquisitions of Shares by the Company under the Share Buy-Back Mandate are set out below:

#### (a) Maximum Number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company.

The total number of Shares that may be purchased or acquired by the Company is limited to that number of Shares representing not more than ten per cent. (10%) of the issued share capital of the Company, ascertained as at the Approval Date, unless the Company has effected a reduction of the share capital of the Company in accordance with the applicable provisions of the Act, at any time during the relevant period, in which event the total number of issued Shares of the Company shall be taken to be the total number of issued Shares of the Company as altered. For the purposes of calculating the percentage of issued Shares above, any of the Shares which are held as treasury shares will be disregarded.

**For illustrative purposes only**, based on the existing issued and paid-up share capital of the Company as at the Latest Practicable Date comprising 778,623,495 Shares and assuming that no further Shares are issued on or prior to the 2015 AGM, not more than 77,862,349 Shares (representing ten per cent. (10%) of the issued and paid-up share capital of the Company as at that date) may be purchased or acquired by the Company pursuant to the proposed Share Buy-Back Mandate.

#### (b) Duration of Authority

Share Purchases may be made, at any time and from time to time, on and from the Approval Date, up to the earlier of:

- (i) the conclusion of the next AGM or the date by which such AGM is required by law to be held;
- (ii) the date on which the buy-back of the Shares are carried out to the full extent mandated; or

---

## LETTER TO SHAREHOLDERS

---

- (iii) the date on which the authority conferred in the Share Buy-Back Mandate is varied or revoked by the Shareholders in a general meeting.

The Share Buy-Back Mandate may be renewed at each AGM or other general meeting of the Company.

(c) **Manner of Share Purchase**

Share Purchases may be made by way of, *inter alia*:

- (i) On-Market Share Purchases, transacted on the SGX-ST through the SGX-ST's ready market trading system or, as the case may be, any other stock exchange on which the Shares may for the time being be listed and quoted, through one or more duly licensed stockbrokers appointed by the Company for the purpose; and/or
- (ii) Off-Market Share Purchases (if effected otherwise than on the SGX-ST) in accordance with any equal access scheme(s) as may be determined or formulated by the Directors as they may consider fit, which scheme(s) shall satisfy all the conditions prescribed by the Act and the Listing Manual.

The Directors may impose such terms and conditions which are not inconsistent with the Share Buy-Back Mandate, the Listing Manual and the Act as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme(s). However, an Off-Market Share Purchase must satisfy all the following conditions:

- (i) the offers for the Share Purchase shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (ii) all of the abovementioned persons shall be given a reasonable opportunity to accept the offers made to them; and
- (iii) the terms of all the offers shall be the same, except that there shall be disregarded:
  - (1) differences in consideration attributable to the fact that the offers relate to Shares with different accrued dividend entitlements;
  - (2) differences in consideration attributable to the fact that the offers relate to Shares with different amounts remaining unpaid (if applicable); and
  - (3) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

In addition, the Listing Manual provides that, in making an Off-Market Share Purchase, the Company must issue an offer document to all Shareholders which must contain at least the following information:

- (i) the terms and conditions of the offer;
- (ii) the period and procedures for acceptances;
- (iii) the reasons for the proposed Share Purchase;
- (iv) the consequences, if any, of Share Purchases by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (v) whether the Share Purchase, if made, would have any effect on the listing of the Shares on the SGX-ST;

---

## LETTER TO SHAREHOLDERS

---

- (vi) details of any Share Purchases made by the Company in the previous 12 months (whether On-Market Share Purchases or Off-Market Share Purchases in accordance with an equal access scheme), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the Share Purchases, where relevant, and the total consideration paid for the Share Purchases; and
- (vii) whether the Shares purchased by the Company will be cancelled or kept as treasury shares.

(d) **Maximum Purchase Price**

The purchase price per Share (excluding brokerage, stamp duties, applicable goods and services tax and other related expenses) to be paid for the Shares will be determined by the Directors.

However, the purchase price to be paid for a Share pursuant to a Share Purchase must not exceed:

- (i) in the case of an On-Market Share Purchase, 105% of the Average Closing Price (as defined hereinafter); and
- (ii) in the case of an Off-Market Share Purchase pursuant to an equal access scheme, up to 120% of the Average Closing Price (as defined hereinafter),

(the “**Maximum Price**”) in either case, excluding related expenses of the Share Purchase.

For the above purposes:

“**Average Closing Price**” means the average of the closing market prices of a Share over the last five (5) Market Days, on which transactions in the Shares were recorded, immediately preceding the date of making the On-Market Share Purchase by the Company or, as the case may be, the day of the making of an offer pursuant to the Off-Market Share Purchase, and deemed to be adjusted for any corporate action that occurs after the relevant five (5) day period; and

“**day of the making of the offer**” means the day on which the Company announces its intention to make an offer for the purchase of Shares from Shareholders, stating the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Share Purchase.

### 2.5 Status of Shares Purchased by the Company

(a) **Cancellation**

Any Share which is purchased or acquired by the Company shall, unless held as treasury shares to the extent permitted under the Act, be deemed cancelled immediately on purchase or acquisition, and all rights and privileges attached to that Share will expire on cancellation. The total number of Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as treasury shares.

All Shares purchased or acquired by the Company (other than treasury shares held by the Company to the extent permitted under the Act) will be automatically de-listed by the SGX-ST, and certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following settlement of any such purchase or acquisition.

---

## LETTER TO SHAREHOLDERS

---

### (b) Treasury Shares

Under the Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Act are summarised below:

#### (i) Maximum Holdings

The number of Shares held as treasury shares cannot at any time exceed ten per cent. (10%) of the total number of issued Shares.

#### (ii) Voting and Other Rights

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution (whether in cash or otherwise) of the Company's assets (including any distribution of assets to members on a winding up) may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed.

A subdivision or consolidation of any treasury share into treasury shares of a smaller amount is also allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

#### (iii) Disposal and Cancellation

Where Shares are held as treasury shares, the Company may at any time:

- (1) sell the treasury shares for cash;
- (2) transfer the treasury shares for the purposes of or pursuant to an employees' share scheme;
- (3) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (4) cancel the treasury shares; or
- (5) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

Rule 704(28) of the Listing Manual requires that the Company immediately announce any sale, transfer, cancellation and/or use of treasury shares stating the following:

- (1) date of the sale, transfer, cancellation and/or use;
- (2) purpose of such sale, transfer, cancellation and/or use;
- (3) number of treasury shares sold, transferred, cancelled and/or used;
- (4) number of shares before and after such sale, transfer, cancellation and/or use;
- (5) percentage of the number of treasury shares against the total number of shares outstanding in a class that is listed before and after such sale, transfer, cancellation and/or use; and
- (6) value of the treasury shares if they are used for a sale or transfer, or cancelled.

### 2.6 Reporting Requirements

The Companies Act and the Listing Rules require the Company to make reports in relation to the Share Buy-Back Mandate as follows:

- (a) within 30 days of the passing of a Shareholders' resolution to approve the purchases of Shares by the Company, the Company must lodge a copy of such resolution with ACRA;
- (b) within 30 days of a purchase of Shares on the SGX-ST or otherwise, the Company shall lodge with ACRA the notice of the purchase in the prescribed form, such notification including details of the date of the purchase, the total number of Shares purchased by the Company, the total number of Shares cancelled, the number of Shares held as treasury shares, the Company's issued share capital before and after the purchase of Shares, the amount of consideration paid by the Company for the purchase, whether the Shares were purchased out of profits or the capital of the Company and such other particulars as may be required;
- (c) purchases of Shares must be reported to the SGX-ST in the forms prescribed by the Listing Rules and announced to the public in the case of On-Market Share Purchases, not later than 9.00 a.m. on the Market Day following the day of purchase of any of its Shares and in the case of Off-Market Share Purchases, not later than 9.00 a.m. on the second Market Day after the close of acceptances of the offer made by the Company; and
- (d) in its annual report and accounts, the Company shall make disclosure of details pertaining to purchases of Shares made during the year, including the total number of Shares purchased during the financial year under review, the purchase price per Share or the highest and lowest prices paid for the purchases, and where relevant, the total consideration paid.

### 2.7 Source of Funds

The Company may only apply funds legally available for such Share Purchases in accordance with its Memorandum and Articles of Association, and the applicable laws in Singapore. The Share Purchases by the Company may be made out of the Company's profits or capital so long as the Company is solvent. The Company may not buy Shares on the SGX-ST for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the SGX-ST.

Pursuant to Section 76F(4) of the Act, the Company is solvent if (a) it is able to pay its debts in full at the time of and will be able to pay its debts as they fall due in the normal course of business in the 12 months immediately following such date of payment; and (b) the value of its assets is not less than the value of its liabilities (including contingent liabilities) and such value of its assets will not, after any purchase of Shares for purposes of any proposed acquisition or release of the Company's obligations, become less than the value of its liabilities (including contingent liabilities). In determining that the Company is solvent, the Directors must have regard to the most recently audited financial statements and other relevant circumstances, and may rely on valuations of assets or estimates of liabilities that are reasonable in the circumstances. In determining the value of contingent liabilities, the Directors may take into account the likelihood of the contingency occurring, as well as any counter-claims by the Company.

When Shares are purchased or acquired, and cancelled:

- (a) if the Shares are purchased or acquired entirely out of the capital of the Company, the Company shall reduce the amount of its share capital by the total amount of the purchase price paid by the Company for the Shares (excluding brokerage, stamp duties, applicable goods and services tax, clearance fees and other related expenses) (the "**Purchase Price**");
- (b) if the Shares are purchased or acquired entirely out of profits of the Company, the Company shall reduce the amount of its profits by the total amount of the Purchase Price; or
- (c) where the Shares are purchased or acquired out of both the capital and the profits of the Company, the Company shall reduce the amount of its share capital and profits proportionately by the total amount of the Purchase Price.

---

## LETTER TO SHAREHOLDERS

---

The Company may use internal resources and/or external borrowings to finance Share Purchases pursuant to the Share Buy-Back Mandate. The Directors do not propose to exercise the Share Buy-Back Mandate in a manner and to such extent that the liquidity and capital adequacy position of the Group would be materially adversely affected.

### 2.8 Financial Impact

#### (a) General

Shareholders should note that the financial effects illustrated below are for illustration purposes only. In particular, it is important to note that the financial analyses set out below are based on the audited financial statements of the Company for FY2014 and are not necessarily representative of the future financial performance of the Group. Although the proposed Share Buy-Back Mandate would authorise the Company to buy back up to ten per cent. (10%) of the Company's issued Shares, the Company may not necessarily buy back or be able to buy back the said ten per cent. (10%) of the issued Shares in full.

#### (b) Financial Effects of the Share Buy-Back Mandate

It is not possible for the Company to realistically calculate or quantify the financial effects of purchases or acquisitions that may be made pursuant to the Share Buy-Back Mandate, as it would depend on factors such as the aggregate number of Shares purchased or acquired, the Purchase Price paid at the relevant time, the amount (if any) borrowed by the Company to fund the purchases, whether the Share Purchase is made out of profits or capital, and whether the Shares purchased are held in treasury or cancelled. The Purchase Price paid by the Company for the Shares will correspondingly reduce the amount available for the distribution of cash dividends by the Company.

The Directors do not propose to exercise the Share Buy-Back Mandate to such an extent that it would have a material adverse effect on the working capital requirements of the Company. The purchase of the Shares will only be effected after considering relevant factors such as the working capital requirement, availability of financial resources, the expansion and investment plans of the Company, and the prevailing market conditions. The proposed Share Buy-Back Mandate will be exercised with a view to enhance the earnings and/or NTA value per Share of the Company. The financial effects presented in this Section of this Circular are based on the assumptions set out below.

##### (i) *Information as at the Latest Practicable Date*

As at the Latest Practicable Date, the Company has 778,623,495 issued Shares (with no treasury shares).

##### (ii) *Illustrative Financial Effects*

Purely for illustrative purposes, on the basis of 778,623,495 Shares in issue as at the Latest Practicable Date and assuming no further Shares are issued and no Shares are held by the Company as treasury shares on or prior to the 2015 AGM, the purchase by the Company of ten per cent. (10%) of its issued Shares will result in the purchase of 77,862,349 Shares.

In the case of On-Market Share Purchases by the Company and assuming that the Company purchases or acquires 77,862,349 Shares at the Maximum Price of S\$0.573 for each Share (being the price equivalent to 105% of the Average Closing Price of the Shares for the five (5) consecutive Market Days on which the Shares were traded on the Official List of the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 77,862,349 Shares is S\$44,615,125.98.

In the case of Off-Market Share Purchases by the Company and assuming that the Company purchases or acquires 77,862,349 Shares at the Maximum Price of S\$0.655 for each Share (being the price equivalent to 120% of the Average Closing Price of

## LETTER TO SHAREHOLDERS

the Shares for the five (5) consecutive Market Days on which the Shares were traded on the Official List of the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 77,862,349 Shares is S\$50,999,838.60.

For illustrative purposes only and on the basis of the assumptions set out above as well as the following:

- (i) such Share Purchases are funded solely by internal resources and/or borrowings,

- (1) NTA equals to net asset value less intangible assets.
- (2) Net debt means total borrowing less cash and cash equivalents.
- (3) NTA per Share is calculated based on the number of Shares, excluding treasury shares.
- (4) Current ratio means current assets divided by current liabilities.
- (5) Financial effect to NTA is due to purchase of shares to the maximum of ten per cent. (10%) of outstanding Shares on hand.
- (6) The basic EPS before the share buy-back have been computed based on the profit attributable to equity holders of the Company, net of tax and the weighted average number of 714,915,095 Shares adjusted for the impact of the rights issue undertaken by the Company first announced on 30 June 2014, and pursuant to which the Company allotted and issued 129,770,582 Shares on 10 December 2014.

The financial effects set out above are for illustrative purposes only. Although the Share Buy-Back Mandate would authorise the Company to purchase up to ten per cent. (10%) of the issued Shares, the Company may not necessarily purchase or be able to purchase the entire ten per cent. (10%) of the issued Shares. In addition, the Company may cancel all or part of the Shares repurchased, or hold all or part of the Shares repurchased in treasury.

## LETTER TO SHAREHOLDERS

---

The Directors emphasise that they do not propose to exercise the Share Buy-Back Mandate to the extent that it will have a material adverse impact on the working capital position of the Group. The Directors will be prudent in exercising the Share Buy-Back Mandate only to the extent which the Directors believe will achieve benefits to the Group and its Shareholders from time to time, giving consideration to the prevailing market conditions, the financial position of the Group and other relevant factors.

### 2.9 Taxation

Section 10J of the Income Tax Act, Chapter 134 of Singapore, stipulates that when a company purchases or acquires its own shares from a shareholder using funds other than contributed capital of the company, the payment by the company shall be deemed to be a dividend paid by the company to the shareholder. Accordingly, the Company will, in repurchasing its own Shares out of profits, be deemed to have paid a dividend to the Shareholders from whom the Shares are purchased.

**Shareholders who are in doubt as to their respective tax positions or any tax implications arising from the Share Buy-Back Mandate, or who may be subject to tax in a jurisdiction other than Singapore, should consult their own professional advisers.**

### 2.10 Interested Persons

The Company is prohibited from knowingly buying Shares on the Official List of the SGX-ST from an interested person, that is, a Director, the chief executive officer or a Controlling Shareholder of the Company, or any of their Associates, and an interested person is prohibited from knowingly selling his Shares to the Company.

### 2.11 Listing Rules

- (a) The Company is required under Rule 723 of the Listing Manual to ensure that at least ten per cent. (10%) of the total number of issued Shares excluding treasury shares is at all times held by the public. The “public” is defined under “Definitions and Interpretation” of the Listing Manual as persons other than the Directors, chief executive officer, Substantial Shareholders and Controlling Shareholders of the Company or its subsidiary companies, as well as the Associates of such persons.

As at the Latest Practicable Date, 248,866,796 Shares representing 31.96% of the issued share capital of the Company are held in the hands of the public. For illustrative purposes only, assuming that the Company repurchased the maximum of ten per cent. (10%) of its issued share capital as at the Latest Practicable Date from members of the public by way of an On-Market Share Purchase, the percentage of Shares held by the public would be approximately 29.06%.

Accordingly, the Company is of the view that there are a sufficient number of the Shares in issue held by public Shareholders which would permit the Company to undertake Share Purchases up to the full ten per cent. (10%) limit pursuant to the Share Buy-Back Mandate without affecting the listing status of the Shares on the SGX-ST.

**The Directors will use their best efforts to ensure that the Company does not effect Share Purchases if the Share Purchases would result in the number of Shares remaining in the hands of the public falling to such a level as to cause market illiquidity or adversely affect the listing status and orderly trading of the Shares of the Company.**

- (b) Under Rule 884 of the Listing Manual, a listed company may only purchase or acquire shares by way of a market acquisition at a price per share which is not more than five per cent. (5%) above the average closing market price. The term “average closing market price” is defined as the average of the closing market prices of shares over the last five (5) Market Days, on which transactions in the shares were recorded, before the day on which purchases are made, and deemed to be adjusted for any corporate action that occurs after

the relevant five (5) day period. The Maximum Price for a Share in relation to On-Market Share Purchases by the Company, referred to in Section 2.4(d) of this Circular, conforms to this restriction.

- (c) While the Listing Manual does not expressly prohibit any purchase by a listed company of its shares during any particular time or times, because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any Share Purchases at any time after any matter or development of a price-sensitive nature has occurred or has been the subject of consideration and/or a decision of the Board until such price-sensitive information has been publicly announced.

Further, in conformity with Rule 1207(19) of the Listing Manual, the Company will observe the best practices on dealings in securities, such that the Company will not purchase or acquire any Shares during the period commencing two (2) weeks before the announcement of the Company’s financial statements for each of the first three (3) quarters of its FY and one (1) month before the announcement of its full year financial statements.

### 2.12 Take-over Code Implications arising from Share Purchases

Appendix 2 of the Take-over Code contains the Share Buy-Back Guidance Note as applicable as at the Latest Practicable Date (“**Appendix 2**”). The take-over implications arising from any Share Purchase by the Company are set out below.

(a) **Obligation to make a take-over offer**

Pursuant to the Take-over Code, an increase in a Shareholder’s proportionate interest in the voting rights of the Company resulting from a Share Purchase by the Company will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code (“**Rule 14**”).

Under Rule 14, a Shareholder and persons acting in concert with him will incur an obligation to make a mandatory take-over offer if, *inter alia*, they increase their voting rights in the Company to 30% or more or, if they, together holding between 30% and 50% of the Company’s voting rights, increase their voting rights in the Company by more than one percent. (1%) in any period of six (6) months.

(b) **Persons acting in concert**

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal) co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of that company.

Unless the contrary is established, the following persons, *inter alia*, will be presumed to be acting in concert, namely:

- (a) a company with its parent company, subsidiaries, its fellow subsidiaries, any associated companies of the above companies, any company whose associated companies include any of the above companies and any person who has provided financial assistance (other than a bank in its ordinary course of business) to any of the above companies for the purchase of voting rights;
- (b) a company with any of its directors, together with their close relatives, related trusts and any companies controlled by any of the directors, their close relatives and related trusts;
- (c) a company with any of its pension funds and employee share schemes;
- (d) a person with any investment company, unit trust or other fund in respect of the investment account which such person manages on a discretionary basis, but only in respect of the investment account which such person manages;

- (e) a financial or other professional adviser, including a stockbroker, with its client in respect of the shareholdings of the adviser and the persons controlling, controlled by or under the same control as the adviser and all the funds which the adviser manages on a discretionary basis, where the shareholdings of the adviser and any of those funds in the client total ten per cent. (10%) or more of the client's equity share capital;
- (f) directors of a company (together with their close relatives, related trusts and companies controlled by any of them), which is subject to an offer or where they have reason to believe a *bona fide* offer for their company may be imminent;
- (g) partners; and
- (h) an individual with his close relatives, his related trusts, and any person who is accustomed to act according to his instructions, companies controlled by any of the above persons and any person who has provided financial assistance (other than a bank in its ordinary course of business) to any of the above for the purchase of voting rights.

The circumstances under which Shareholders, including Directors and persons acting in concert with them respectively, will incur an obligation to make a take-over offer under Rule 14 after a Share Purchase by the Company are set out in Appendix 2.

(c) **Application of the Take-over Code**

In general terms, the effect of Rule 14 is that unless exempted, directors of the Company and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such directors of the Company and their concert parties would increase to 30% or more, or if the voting rights of such directors of the Company and their concert parties fall between 30% and 50% of the Company's voting rights, the voting rights of such directors of the Company and their concert parties would increase by one per cent. (1%) in any period of six (6) months.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with any directors of the Company will not be required to make a take-over offer under Rule 14 if, as a result of any Share Purchase by the Company, the voting rights of such Shareholder would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than one per cent. (1%) in any period of six (6) months. Such a Shareholder need not abstain from voting in respect of the resolution authorising the Share Buy-Back Mandate.

Based on the shareholdings of the Directors as at the Latest Practicable Date, assuming (a) the Company purchases the maximum amount of ten per cent. (10%) of the issued Shares, and (b) there is no change in the number of Shares held or deemed to be held by the Directors prior to and after the exercise of the Share Buy-Back Mandate, none of the Directors and parties acting in concert with them will become obligated to make a mandatory take-over offer under Rule 14 in the event that the Company purchases the maximum number of 77,862,349 Shares pursuant to the Share Buy-Back Mandate. The interests of the Directors are disclosed in Section 3 below.

The Directors are not aware of any facts or factors which suggest or imply that any particular person(s) and/or Shareholder(s) are, or may be regarded as, parties acting in concert such that their respective interests in voting shares in the capital of the Company should or ought to be consolidated, and consequences under the Take-over Code would ensue as a result of a Share Purchase by the Company.

## LETTER TO SHAREHOLDERS

Shareholders who are in doubt as to their obligations, if any, to make a mandatory take-over offer under the Take-over Code as a result of any Share Purchase by the Company should consult the SIC and/or their professional advisers at the earliest opportunity.
