AWARD OF TENDER TO ACUMEN DIAGNOSTICS PTE. LTD. FOR COVID-19 SWAB AND TESTING SERVICES

The board of directors (the "**Board**" or "**Directors**") of Q & M Dental Group (Singapore) Limited ("**Q & M**" or the "**Company**", and together with its subsidiaries, the "**Group**") wishes to update the shareholders that the Group's 51% subsidiary, Acumen Diagnostics Pte. Ltd. ("**Acumen**") had on 1 March 2021 participated in an open tender exercise by the Health Promotion Board for the provision of COVID-19 swab and testing services ("**Tender**").

The Board is pleased to announce that on 17 May 2021, it was announced via the GeBiz portal that Acumen was one of the six (6) successful awardees of the Tender and will be a panel service provider of the Health Promotion Board in respect of the provision of COVID-19 swab and testing services.

The Group is proud that Acumen has been given an opportunity to contribute to Singapore's continued efforts in battling the ongoing COVID-19 pandemic. Given the recent spike in community cases of COVID-19 and heightened safe management measures imposed by the Singapore government which took effect on 16 May 2021, there is a greater need for increased contact tracing efforts and rapid response testing to detect, track and isolate potential COVID-19 cases. As one of the Health Promotion Board's panel service providers, Acumen will be able to leverage upon its subject matter expertise in providing swabbing and testing services to assist the Singapore government in its efforts to actively disrupt further community spread of the virus.
